1. Introduction and Scope

This Company Policy document applies to all employees, contractors and interns of Nova Tech Solutions Pvt. Ltd. It explains the rules of conduct, working arrangements, leave, security and expenses that every person must follow.

The policy is effective from 1 January 2026 and is reviewed once every year by the Human Resources (HR) department. Employees will be informed by email about any change at least 15 days before it takes effect.

2. Code of Conduct

All employees must treat colleagues, customers and partners with respect. Harassment, discrimination and bullying of any kind are strictly prohibited and will lead to disciplinary action.

Any conflict of interest, such as a family member working for a competitor, must be disclosed to HR within 7 days. Gifts from customers or vendors worth more than Rs. 2,000 must be reported to the manager and cannot be kept without written approval.

3. Working Hours

The standard working hours are 9:30 AM to 6:30 PM, Monday to Friday, with a one-hour lunch break. Employees may use flexible timing and start between 8:30 AM and 10:30 AM, as long as they complete their daily hours.

Core hours are 11:00 AM to 4:00 PM, during which every employee must be available for meetings. Overtime must be approved in advance by the reporting manager and is compensated with a compensatory off day, not with cash.

4. Remote Work Policy

Employees who have completed their probation period may work remotely for up to 2 days per week. Remote work needs prior approval from the reporting manager and must be recorded in the HR portal.

While working remotely, employees must connect through the company VPN and be reachable during core hours. A monthly internet allowance of Rs. 1,000 is paid to employees who work remotely at least 4 days a month.

5. Data Security

Passwords must be at least 12 characters long and must be changed every 90 days. Multi-factor authentication (MFA) is mandatory for email, the VPN and all cloud tools.

Confidential company data must never be copied to personal USB drives or personal email accounts. Any suspected security incident, such as a lost laptop or a phishing email, must be reported to the security team at security@novatech.example within 24 hours.

6. Leave Policy

Every full-time employee receives 18 days of paid annual leave per year, 10 days of sick leave per year and 6 days of casual leave per year. Annual leave should be applied for at least 5 working days in advance. A medical certificate is required when sick leave lasts more than 2 consecutive days.

Unused annual leave can be carried forward to the next year up to a maximum of 10 days. Maternity leave is 26 weeks and paternity leave is 10 working days. Leave without pay needs written approval from the manager and HR.

7. Expense Reimbursement

Employees must submit expense claims within 30 days of the expense through the finance portal. Receipts are required for every expense above Rs. 500.

During official travel, the daily meal allowance is Rs. 800 and travel must be booked in economy class. Approved claims are reimbursed within 15 working days of submission.

8. Disciplinary and Grievance Procedure

Violations of company policy are handled in four steps: a verbal warning, a written warning, a final written warning and, if the behaviour continues, termination of employment. Serious misconduct may lead to immediate termination.

Employees can raise a grievance with HR within 15 days of the incident. HR will resolve the grievance within 21 days. Complaints about harassment are handled by the Internal Complaints Committee.
